Substitute Teachers at SECA Acknowledge Students following RHR Expectations

Dear Substitute Teacher,

Thank you for teaching my classes today!
Our school-wide behavior expectations posted in the classroom and around the school are called the RHR Expectations and we ask students to always be **R**espectful, **H**onest, and **R**esponsible (We Are RHR!) We are working hard at our school to teach and recognize appropriate behavior. I have aligned my specific classroom rules to these broad behavior expectations.

Would you please work to "catch" several students who are following my posted classroom rules? Please thank them for their specific behavior and write their names below so that I may also recognize them when I return.

Finally, it's important to please never take RHR acknowledgement away from a student as a punishment or consequence.

Thank you!
